Course Orientation

Sustainable & Responsible Entrepreneurship

Course Code: 2302103

Credits: 3(3-0-6)

Format: 100% Online & Self-Paced

Platform: online-learning.mfu.ac.th

Key Takeaway

Build your entrepreneurial mindset for personal development and social sustainability.

Course Learning Outcomes

CLO 1

Explain core principles and concepts required for responsible entrepreneurship and sustainable business practices.

CLO 2

Apply basic knowledge of responsible entrepreneurship to real-world self-development and social sustainability.

How This Course Works

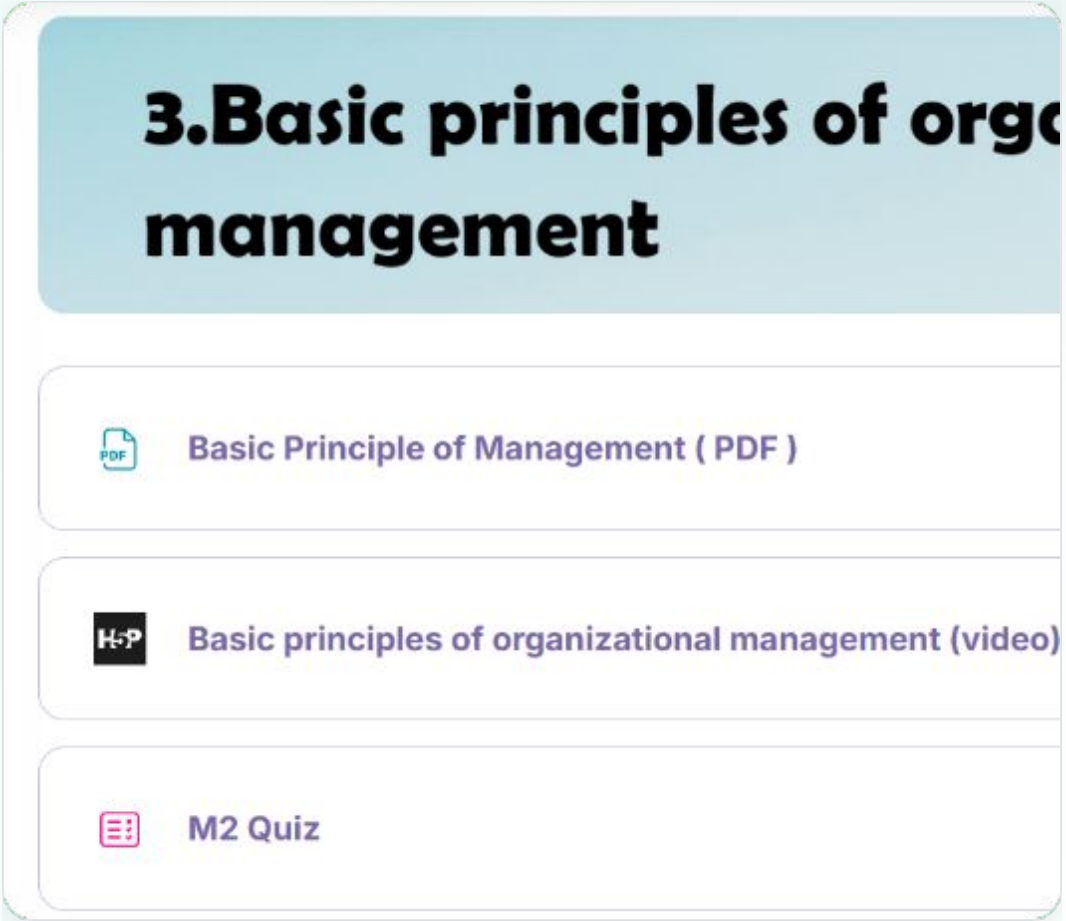

100% Self-Learning Model

10 Learning Modules delivered via recorded lectures, reading materials (PDFs), and H5P interactive videos.

Study Pace: 3 study hours per week (self-managed).

Weekly Module Workflow:

- **Read:** Review PDF study materials.
- **Watch:** Complete module video lectures.
- **Assess:** Complete the module Quiz.

Grading & Evaluation

Assessment Component	Weight	Key Details
Module Quizzes (10 Total)	10%	**1 Quiz per module** at the end of each module (10 quizzes = 10% total weight).
Midterm Examination	30%	Covers the **First 5 Modules** exclusively (Weeks 2–6).
Final Exam / Expo	60%	Participation and presentation at the Sustainability & Social Responsibility Innovation Expo.

Phase 1: Midterm Track
